STAFF NEWSLETTER July 2026

HELLO TEAM!

Thank you for your continued dedication and compassion. You make a real difference to the lives of the people we support every single day.

*Together, we care.
Together, we make a difference.*

ALERTS

If you press alert supervisor on your handover can you make sure that you call in to ensure it has been received and that the information is handed over as sometimes they do not arrive as quickly as you need a response.

Always call in to follow up.

2

CAMERAS

Many of our clients have cameras in their properties both filming and audio.

Please remember to act professionally in the clients homes and make sure that you are writing up the tasks properly as many families have access to the app and then can check the camera to see that you have completed the task properly.

**Be professional.
Be thorough.**

3

PPE CHANGING

Nurses have reported that carers are not changing gloves after providing personal care before handling medication.

PPE should be changed between different tasks and should always be worn when dealing with personal care and also medication and food prep.

**Change gloves.
Protect everyone.**

4

CONFIDENTIALITY

Carers are still talking about other carers and other clients when in a clients home.

Also in front of other professionals.

You must abide by the confidentiality laws.

You have all completed the training, please abide by it.

**Respect privacy.
Keep it confidential.**

5

TRAINING COURSES

There are a lot of you that need to update your courses.

Please check the training portal and bring your training up to date.

Up to date training = High quality care

6

STAFF PORTAL

Don't forget the portal is there to support you!

- ✓ Policies to read and acknowledge
- ✓ Holiday requests
- ✓ Memos and important updates
- ✓ Training portal access

Save it to your home screen to use like an app!

FREDA – IMPLEMENTING THE FREDA PRINCIPLES

We have been asked to implement FREDA as part of the ongoing provision of care. These principles guide how we treat and support everyone we care for.

FREDA

QUALITY • EQUALITY • DIGNITY

FAIRNESS

Treating people fairly, running transparent complaints processes, and giving unbiased access to care.

RESPECT

Valuing every individual's private life, choices, and background without prejudice.

EQUALITY

Ensuring no patient is denied treatment or discriminated against because of age, sex, race, or other protected traits.

DIGNITY

Protecting personal privacy, providing clean and supportive care environments, and treating patients with worth.

AUTONOMY

Involving patients directly in choices and consent about their own medical treatment.

A full explanation of FREDA is being uploaded to the Staff Portal in the Policies section.

Thank you!

Your hard work, professionalism and kindness make a real difference every day.

We are so proud to have you in our team.

COMPASSION
We care with kindness.

RESPECT
We value everyone.

INTEGRITY
We do the right thing.

TEAMWORK
We achieve more together.

*Together,
we make a difference.*
